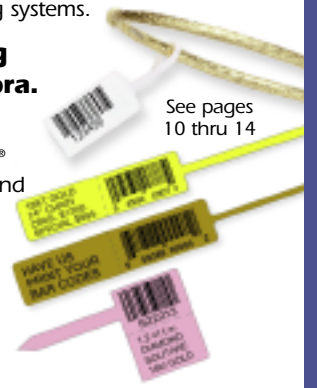
Computer Tag and Bar Code Labeling Systems

Bar code technology solutions for jewelry pricing.

Thermal transfer printers, scanners, bar coding software, portable data collectors and computer tags allow for maximum efficiency in your warehouse, stock room and at the register.

Arch Crown Computer Tag and Label Systems are available for thermal transfer printers (pages 3-17) and dot matrix pin-feed printers (page 19). You'll find the same quality and value in these systems as you do in the tags and labels that have made Arch Crown a leading supplier to the jewelry industry. We work with most software companies (page 18) developing efficient and customer friendly price tagging/labeling systems.

Designed for thermal transfer printers including Citizen, Honeywell, GoDEX, SATO, TSC and Zebra.



See pages 10 thru 14

- High quality, tear resistant, Poly-Lam, polyester and Kimdura®.
- Poly-Lam is laminated and stronger than polyester or Kimdura® material with superior print quality and durability. Can withstand ultrasonic cleaning, text and bar code images will not rub off.
- Computer string tags are designed with a string-like tail and adhesive free loops for easy tagging.
- As a special service, thermal transfer tags are available on 1", 1½" and 3" cores, please specify when ordering.

Arch Crown will re-roll tags to fit most printers at no charge!

Arch Crown can assist you in all your computer tagging requirements.

SAVE! QUANTITY DISCOUNTS AVAILABLE see pages 10-15, 19

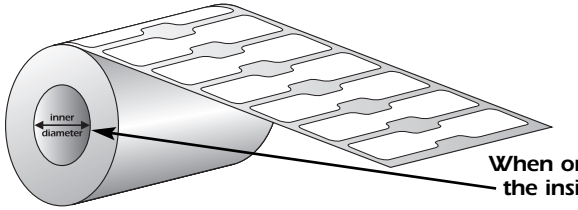
How To Order Thermal Transfer Computer Tags & Labels

Be sure to follow these easy steps when ordering.

- Choose the tag/label you want to use. **NOTE:** Printer model and core size required.
- Make sure that the width of the tag/label will fit on your printer.
- Check core size for the labels required for your printer (inner diameter of the core)
  - ✓ Most large industrial printers take 3" cores.
  - ✓ Datamax E-CLASS, Ovation, Zebra 2844 and GC/GK/GX/ZD Series, Citizen621, GODEX EZ, G and RT Series and SATO/Argox OS-214/A-200 printers take 1" cores.
  - ✓ Cognitive Blaster Advantage and SATO CX/CG/WS Series takes 1 1/2" cores.
- **Please note:** Labels ordered on cores smaller than 3" will be supplied on multiple rolls You will receive the same quantity of labels as supplied on a 3" core.
- Ribbons are printer and material specific and may not work if not ordered correctly.



When ordering, be sure to measure the inside dimension of the core.

Arch Crown Printer Maintenance & Support Program $50

Arch Crown offers exceptional service at below market rates.

We are an authorized service center for Datamax and Zebra printers. Arch Crown is the only company focusing on the specific needs of the jewelry industry that can make this claim.

- We provide free hardware support for items purchased from us for 2 years from the date of purchase of thermal printing products. After 2 years, if you continue to buy anything from us, we offer unlimited printer support/consultation.
- If you have not purchased anything from us in over 2 years and need hardware support, you can buy the Printer Maintenance and Support Program for $50.00 which will give you unlimited hardware support for 2 years!
- We will provide a quotation for any services we perform.
- We'll arrange for factory repairs and consult with your software company, if needed.
- ***Arch Crown tech support is here to assist you!***

BarTender® Software for Thermal Transfer Printers

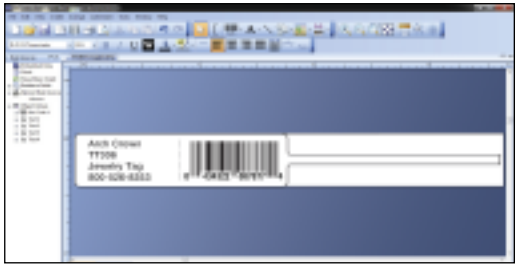
Starter formats included with *BarTender®* purchased from Arch Crown.

Easy-to-use label design software offers benefits of label printing to businesses that currently do not have bar coding capability. Whether you have a program without the ability to print price tags or simply want a professional appearance. ***BarTender®*** is ideal for importing data, designing, formatting and printing your tags.

NEW! Easy-to-use, easy-to-format, labels feature pre-designed formats.

BarTender® **Starter Subscription from $199.00 renews yearly.**

Perpetual from $395.00 Annual maintenance plan required.



All *BarTender®* versions are for one workstation and unlimited printers. Additional workstations and contract lengths are available.

- ✓ Format to virtually any size or shape label. Graphics, logos and TrueType font printing.
- ✓ Works with any printer with a Windows® Driver, including laser and inkjet, includes drivers for literally thousands of thermal barcode label printers.
- ✓ Link to Excel™ and CSV files for integration with your inventory.
- ✓ Imprint UPC, Interleaved 2-of-5, Code 39, Code128 and standard barcode symbologies.
- ✓ Easy to include QR Codes on your labels to help direct customers to your website.
- ✓ Basic numeric serialization: +/-1.

BarTender® **Professional Subscription from $299.00 Perpetual from $695.00**

- ✓ Link to advanced external databases and programs such as SQL Server, ODBC, OLE DB, Microsoft Access® and Oracle® files for integration with your inventory.
- ✓ Advanced serialization including alphanumeric and advanced formulas.
- ✓ RFID printing and encoding (RFID – capable printer required).
- ✓ **Free 24-hour Tech Support for registered users**

DataTagger Software for Thermal Transfer Printers

Pre-formatted label design software for GoDEX printers.

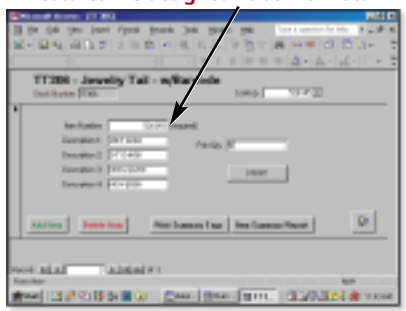
DataTagger for Windows® is a simple to use, efficient software program that prints clear, easy-to-read, high quality thermal transfer labels and tags. DataTagger is ready for use with your computer, a GoDEX Printer and Arch Crown tags and labels.

- ✓ All label formats pre-designed – simply select the Arch Crown label stock number from menu, enter label information and print.
- ✓ Compatible with all Windows® based PC's.
- ✓ Can import from and export to Excel™.
- ✓ No Programming Required.
- ✓ Easy-to-use, point-and-click menu.
- ✓ Prints both text and bar codes.
- ✓ Built-in database saves label information.
- ✓ Tag and label information can be retrieved and edited.
- ✓ One-click labeling of your entire inventory using Summary Tag feature.
- ✓ **FREE UPGRADES!** Includes future tag and label format updates*.

FREE DEMO

*Some restrictions and small handling charge may apply.

Easy-to-use, Point-and-click Menu Selection Features Pre-designed Label Formats.



EASY TO INSTALL SOFTWARE

DataTagger included in Starter Package, see page 4; if purchased separately $250.

Software Partners Affiliated with Arch Crown

Many software companies offer the ability to use Arch Crown's thermal transfer printers and/or tags with their systems.

Our goal is to make the implementation of bar coding and thermal transfer printing an easy job for our customers. We work together with many of leading software companies to bring our mutual customers a complete solution for merchandise pricing. Below are software companies* that offer the ability to use Arch Crown's thermal transfer printers and/or tags with their systems. **www.ArchCrown.com links to leading software companies.**

Here's what our valued clients have to say about static cling vinyl wraps...

> ***We use your static cling vinyl to wrap around the watches our salesmen carry in their lines when they visit their clients. It's very easy to use, goes on and off easily and can be used over and over again. It protects the finish of our fine Swiss watches. Thanks for the great service!***
>
> Connie Steinbock, Customer Service
> Maurice Lacroix USA - Encino, CA

> ***We use Arch Crown static cling vinyl crystal wraps to protect the crystals on our watches during handling and shipping. They fit perfectly with no adhesives to worry about. We recommend them to anyone in the watch industry.***
>
> Hartmut Kraft, President
> Chronoswiss of North America - Princeton, NJ

> ***Static cling vinyl wraps are an excellent product and helps us achieve a high degree of protection for our merchandise. Our customers are well served because we at Tourneau use this product.***

Arch Crown Policy for Custom Printed Products

CUSTOMER SUPPLIED ART – Since we will follow your exact specifications in preparing your tag/label, the copy should be typed or hand printed so that it is clean and error free. In the absence of exact specifications, our artists will use their best judgment in designing your tag/label. Camera ready art is required for logos (please mail or e-mail, do not fax original art).

COMPUTER ARTWORK – Artwork can be submitted on either a CD, DVD or via e-mail to: **orders@archcrown.com**. Save images as a tif, jpg, pdf or eps file in PC format. **When compiling files be sure to embed all fonts and include a hard copy.**

CHANGES – Changes in quantities, copy, color or stock can be made prior to printing. These changes may require an additional charge.

PROMOTIONAL RIGHTS – We reserve the right to use any tags or labels which have been printed by us in promotional and advertising materials unless notified prior to printing your order.

RETURNS – All returns must be authorized in advance and accompanied by a return authorization number. Unauthorized returns will not be accepted.

DIE SHAPES NOT SHOWN – Other shapes and sizes are available. Please contact a sales representative for further information. New custom dies are available at an additional cost.

PROOFS – A black and white pdf proof will be emailed. Can be mailed or faxed upon request at no extra charge. Press proofs are available at $150.

CANCELLATIONS – There is no charge for orders cancelled before art or typesetting has started. However, there will be no refund on plate or mold charges for cancellations received after art or typesetting has begun.

There can be no cancellations after the job has been printed.

How to Order Custom Printed Tags and Labels

Be sure to follow these easy steps when ordering.

- Choose the die shape you want to use, see pages 34 and 35.
- Select the imprint color and background material, see page 35.
- Select the typeface font desired, see page 37.
- Select the border style, see page 37.
- Stock illustrations available, see below.
- Customer supplied art, see above Arch Crown policy.
- Fax your sketch to us: 973-731-2228 or send via e-mail: orders@ArchCrown.com
- To contact a sales representative, call toll free 1-800-526-8353 or 973-731-6300.

Custom Molded Plastic Tags for Special Presentations!

The look, the feel... everything about these durable plastic molded relief tags says '**exceptional quality**' about the jewelry on which they are attached.

Custom molded tags come in a variety of shapes and styles. Molded tags can be foil printed on both sides or a bar code label and pricing information can be applied to the back side of tag. Available in a textured or smooth finish, *please specify finish.*

Sunken, knotted or our new '**secure-lock**' braided cord, *please specify cord style.* '**Secure-lock**' cord can be easily attached to most jewelry. Once closed, the tag cannot be re-opened unless the cord is cut (helping to minimize unauthorized returns). One time mold charge $199.*

FREE Custom PMS Color Match Available... A $150. Value!

LOWER PRICES ON CUSTOM MOLDED TAGS!

*Size and complexity of tags may effect price. Call 1-800-526-8353 for price quote.
